

## REMARKS

Applicant respectfully responds to the notice of non-compliant amendment with reference to the original claim numbering, not as renumbered by the Examiner in the Notice of Allowance mailed December 18, 2007.

Claims 28-34, 49 and 50 were previously allowed in the application. New claims 51-54 have been added. Support for these amendments can be found in the specification and claims of the application as filed. No new matter has been added. New claims 51 and 53 are analogous to claim 49. Accordingly, Applicant submits that new claims 51 and 53 and their dependent claims 52 and 54 are also allowable for at least the reasons noted for allowed claims 8 and 9.

In view of the foregoing, applicant respectfully submits that all pending claims in the application are patentable. Accordingly, a notice of allowance directed to the present application is earnestly solicited. Should any issues remain unresolved, the Examiner is encouraged to telephone the undersigned at the number provided below.

Please charge any fees or overpayments that may be due with this response to Deposit Account No. 17-0026.

Respectfully submitted,

Dated: July 21, 2008
